TRENDY COLOUR SELECTION BY THEMES

Primary Tones		OASIS ELEGANCE		TROPICAL CHARM		COASTAL CONTEMPORARY		MODERN MEDITERRANEAN
	Secondary Tones							

*All colours shown are as close to the actual Nippon Paint colours as modern printing techniques permit. Depending on your choice of finishing, the visual appearance of each colour may vary.

COLOUR COMPOSITION

Consider the rule of thirds, balance, and focal points. Pair 2 primary colours to create clean timeless look or include one third with complimentary secondary colour as focal point to create grouping effect. Alternatively, match 2 secondary colours to create strong defined statement look.

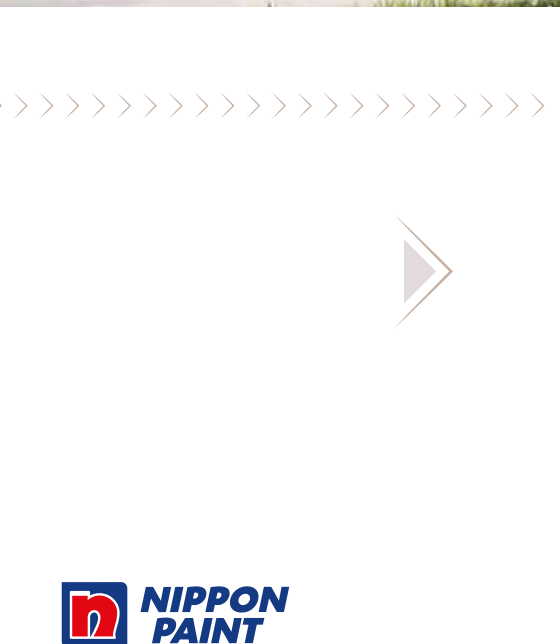

OASIS ELEGANCE

In a world where nature's palette takes center stage, a symphony of earthy tones transforms your exterior into a sophisticated and serene oasis.

The combination of these colours creates a soothing atmosphere, inviting you to relax and unwind.
