**COLOUR STYLING GUIDE >>>>>**

Each colour theme features carefully curated colour pairings designed to enhance its ambiance be it playful, chic or timeless. These pairings can be applied to walls, furniture, or any significant elements within a space to create a harmonious and visually appealing interior.

All colours shown are as close to the actual Nippon Paint colours as modern printing techniques permit. Depending on your choice of finishing, the visual appearance of each colour may vary.

**ULTRA PREMIUM**

**VIRUSGUARD**

An excellent choice for health-conscious spaces. Bright, playful colours like soft pinks, or pastels are great for play areas. VirusGuard helps protect these frequently used spaces such as kids' playroom from germs, making it safer for children to play.
